

PUBLIC NOTICE

TAKE NOTICE that the BOROUGH OF DELAWARE WATER GAP has scheduled the flushing out of the water hydrants during the week of April 8, 2024. You may experience dirty or cloudy water between the hours of 6:00 a.m. and 3:00 p.m. Should this occur after that time, remove the aerator from the faucet and keep the water running to flush the sediment out of the line.

If you have any questions, please contact the Borough Office at (570) 476-0331.
